

ElderCare Edmonton is entering its 32nd year of providing community-based day recreation programs for Edmonton seniors.

We are seeking an enthusiastic, caring individual to work within a team setting to implement and deliver therapeutic recreation and leisure programs to seniors.

Our ideal candidate is a Recreation Therapy Assistant or Health Care Aide with recreation experience; equivalent education/experience will be considered. Experience working with frail elderly individuals or persons with disabilities is a definite asset.

Starting salary: \$17.42/hour

Vacancies: 2

For more information on our programs and service locations, please see our website: www.eldercareedmonton.ca

Please forward resume with cover letter to the Program Manager:
