## **Full-Time Rehabilitation Aide - Bethany Collegeside Red Deer, Alberta**

### **About Bethany Care Society**

Bethany Care Society is one of Western Canada's largest voluntary, not-for-profit providers of health, housing and community services for seniors and persons with disabilities.

Bethany's continuing care programs provide around-the-clock professional care and support for people with complex health needs who are unable to remain at home or in a supportive living environment. We work to make a difference every day in the lives of the people we serve, while also assisting and supporting family members and others who are close to them.

We offer clinical mentorship, educational opportunities, access to excellent therapeutic tools and space as well as the possibility of involvement in research projects. If you seek a work environment that challenges your creativity, uses interventional skills, and promotion of community engagement, you will enjoy a career at Bethany.

### **About the Role**

The Rehabilitation Aide is responsible for helping to maintain the residents at their maximal function level by providing individual, group exercise, walking programs and other interventions under the direction of the Rehabilitation Therapists.

The ideal candidate will have a Rehabilitation Therapist Assistant Diploma (OT or PT), or Rehabilitation Practitioner/Rehabilitation Services/Community Rehabilitation Diploma. The successful candidate will have a special interest in working with the elderly and people with disability. You must have the ability to work under minimal supervision, and possesses good organizational, interpersonal, verbal, written, and communications skills. You must also be physically able to do heavy lifting and transferring when required.
