

Grant MacEwan College Therapist Assistant Program Changes:

Grant MacEwan's program has gone through some major changes to improve the Therapist Assistant Program.

The Therapist Assistant Program's Physical Therapist Assistant/Occupational Therapist Assistant is now a combined major. It is a 2 year (4 term) 60 credit diploma program. It prepares graduates to work as both an OTA and PTA. Students graduating in April 2005 will have placements of 2 weeks and 2, 4 week placements. Students graduating in 2007 will have 3, 5 week placements.

The Therapist Assistant Program's Speech-Language Pathologist Assistant major is now a 2 year (4 term) 60 credit diploma program. Students graduating in April 2005 (old curriculum) will have 3 placements: 2 weeks and 2, 4 week placements in Feb.-Mar. Students graduating in April 2007 will have 2, 7 week placements.
