

Rehabilitation Therapy Assistant/Aid

FTE: Permanent full time (32-37.5 hours weekly). Some weekend work may be required.

Responsibilities/Duties: Under the direction and supervision of both Physical as well as Occupational Therapists, this position provides departmental support and performs additional duties as required. Common tasks include implementing programs, mobilizing residents, aiding in assessments, portering residents, and equipment provision/disinfection/repair.

Salary: Negotiable based on experience & qualifications. As per AUPE union contract.

Qualifications:

- Formal Training as a rehabilitation assistant or aide required. Equivalencies will be considered.
- Experience in geriatric rehab setting desired.
- Experience in transferring, ambulation, ROM, exercise, & modalities would be an asset.
- Ability to communicate effectively with residents, families, & staff required.
- Ability to lift and move up to 25 kg required.
- Clear criminal record check required.
- CPR required.
- Current immunizations.

Closing Date: Dec 30th, 2009
